

MCMURRY UNIVERSITY
SUMMER SEMESTER FINANCIAL AID REQUEST

In order to apply for financial aid, federal guidelines require students to be pursuing a degree at the university they are attending.

Note: If applying for federal aid for summer school, you must file or must have filed the 2010-2011 FAFSA. Federal Stafford Loan funds have a yearly aggregate limit associated with your grade level. If you have borrowed your yearly limit there are other loan programs available.

May Term is part of Summer Semester and will be included with your Summer I and/or Summer II hours for financial aid purposes. You must enroll for at least 6 credit hours total for the Summer Semester in order to receive financial aid. If you change the number of credit hours you are taking please notify the Financial Aid Office. It could affect your financial aid.
