Instructions

When should you submit this form?

The parent non-filer form is required for all parents who have earned money in 2009, but are not required or will not file a federal tax return for 2009. To assist our office with determining financial aid we require that all parents provide information regarding earnings.

To make sure you complete this form correctly!

- Make sure parents and students name and social security number are printed on form.
- Make sure that if the parent (s) did not file a return that the proper box is checked. Example: If the parent (s) received no taxable income he/she should check the box that indicates that no taxable income was received.
- If the item is zero, write in a zero in the space.
- The signature of the parent is required and if married spouses also.

Please note that if you have any questions on completing this form please contact the Financial Aid Office at 325-793-4713 or 1-800-460-2392.

Remember: Please see website for priority deadlines.
