Instructions

**When should you submit this form?**

The student non-filer form is required for all students who have earned money in 2008, but are not required or will not file a federal tax return for 2008. To assist our office with determining financial aid we require that all students provide information regarding earnings.

**To make sure you complete this form correctly!**

- Make sure students name and social security number are printed on form.
- Make sure that if the student did not file a return that the proper box is checked. Example: If the student received no taxable income he/she should check the box that indicates that no taxable income was received.
- If the item is zero, wrote in a zero in the space.
- The signature of the student is required and if married spouses also.

**Please note that if you have any questions on completing this form please contact the Financial Aid Office at 325-793-4713 or 1-800-460-2392.**

Remember: Please see website for priority deadlines.
