

Registering with Disability Services

McMurry University strives to provide equal access to a college education as well as support to students with disabilities in their experience in the University community. Disability Services personnel oversee and coordinate programs to ensure accessibility to students with disabilities on an individual basis

To obtain services the student must:

1. Apply and be accepted for admission at McMurry University. Students with disabilities go through the regular admissions procedures; and
2. Apply for Disability Services *30 days prior to the initial semester* of enrollment to allow adequate time for coordination of accommodations.
3. Complete an online application for Disability Services located on the McMurry website: www.mcm.edu/newsite/web/students/disabilities.
4. Follow the online instructions for submitting supporting documentation of a disability in the form of an evaluation by a qualified professional (such as a licensed physician, psychologist, or audiologist). *Please note that documentation mailed to the Admissions office will not be forwarded but kept as a part of a student's admission file.* The documentation should be mailed to:

Cherisse Flanagan, M.S., L.P.C.
McMurry University Disability Services
McM Station, Box 657
Abilene, TX 79697
Old Main, Suite 102
Phone: (325) 793-4880 Fax: (325) 793-4879

5. If you require modifications such as extended-time for placement testing, contact the Disability Services as soon as you have your testing date.
6. If you or a guest requires special assistance, contact the DS office at least two weeks prior to your orientation session or initial enrollment.

Further information on specific accommodations and resources are available on our website.
