PURPOSE: The purpose of the Staff Council is to study, consider, and exchange ideas related to the University’s staff (in this case, staff is defined as any non-faculty employee, excluding the Cabinet, of the University) and to make recommendations as needed to the President.

Understanding of Confidentiality: This form will be treated as confidential by the members of this council. If any action is deemed necessary to take beyond the council where information from this page is needed, permission will then be requested.
